RED FEATHER WORKERS REPORT ONE-THIRD OF \$8000 GOAL REALIZED

With one-third of their goal of \$8,000 realized in the first few days of the Community Chest Drive, Albany workers were confident that they would bring the local campaign to a victorious close on Oct. 30.

At the first report meeting on Tuesday, Oct. 14, General Woolworth reported that \$2,667 had been collected by Albany workers. Colonel Ted Williams reported that 41 per cent of the business goal had been reached; Mrs. Thalia Ulyatt, Colonel of the east residential section, reported 29 per cent; Mrs. Thomas W. Griffin, Colonel of the west residential section reported 44 per cent; Colonel I. J. Girgich of Western Regional Laboratory reported 57 per cent; and organizations, under Colonel Ed Howell, reported 14 per cent.

The possibility of attaining the goal looks extremely bright in view of the enthusiasm of all the Albany Chest workers and the generous response of Albany residents to the community needs that are served by the 21 Chest Agencies. General Woolworth emphasized the fact that if every home in Albany would make some contribution the residential goal would be realized. He stated that Albany is a community proud of its reputation to assume its own responsibility and that he was confident this record would be maintained for the Community Chest Drive.

Albany citizens are also reminded that funds given outside of the Albany-Berkeley-Kensington area are usually not available for Albany. Names of the workers will be published in The Times next week.

Junior CC Sponsoring High School Speakers In National Contest

The Albany Junior Chamber of Commerce has joined with the Berkeley Jaycees to sponsor two students in the oratory and essay contest of the Junior Chamber of Commerce of the United States and the National Association of Broadcasters. The topic is "I Speak for Democracy."

According to Charles Tschanner, chairman of the Albany committee, two winners from Albany High will compete with four winners from Berkeley and two from St. Mary's High. The finals will be held on Oct. 23 at Radio Station KRE.

The speeches will be recorded on electric transcriptions and the judges will never see or hear the students in person. Local judges will be chosen and they will base their decisions on originality of material and delivery.

The student adjudged Berkeley-Albany winner will compete via radio transcription in a State contest to be held in the State Junior Chamber of Commerce Headquarters in Huntington Park in November. Competition by the 48 State winners will be held on recording at Washington, D. C., and four national winners will be announced on Nov. 20.

Soroptimist News

By BEA RAYMOND

The Albany Soroptimist Club met at Gaeta's Coffee Shop Wednesday, Oct. 15. In the absence of our president, Vice-President Mae Ellis Olson wielded the gavel, and a right good job she did.

After a few songs, as usual, Ruth Kemp, City Clerk of Berkeley, and Mabel W. Jensen, Berkeley City Auditor, were introduced as visitors from the neighboring Soroptimist Club.

Miriam F. Gilson, Dean of Girls at Albany High School, program chairman, introduced Miss Devore Watt, librarian at Albany High, who gave a book review of "Our Son Pablo," by Alvin and Darley Gordon. The Gordons were local people and have written a most interesting story. The manner in which Miss Watt presented it held the interest of every member and we are inclined to think the book stores will receive many calls for this charming story.

Before the close of the meeting we demanded a fine or a yarn about New York from Opal Villa. Opal claimed she was broke and would tell the yarn—and some yarn it was.

Ask Kensington Support for Community Chest

Residents of the Kensington area, although not officially residents of Berkeley or Albany and therefore in Alameda County, nevertheless help support social agencies that are of direct or indirect benefit to them when they give to the Community Chest. Such is the gist of a statement made this week to Kensington home owners by the Sponsoring Committee of the Kensington Division of the Berkeley-Albany-Kensington Community Chest. The committee is chairmaned by Anson S. Blake, and includes Mrs. Raymond C. Archibald, George A. Gitchell, Brutus Hamilton, Mrs. Violet R. Ward, Lowell Trautman, Dr. George D. Lauderback, and H. A. Spilman.

Prefacing its statement with the news that volunteer workers of the Chest have now started their neighborhood calls for pledges, the committee pointed out that "The Community Chest of this area, although its office is in Berkeley, is not a 'city' Chest, but a 'community' Chest—and Kensington is an integral part of this general community."

The last group of teas is scheduled for Wednesday, Oct. 29, with the following hostesses: Mrs. Rosemary Dougan and Miss Ruth Daly, teachers, and Mesdames A. E. Freeborn, R. B. Cortese, Robert J. School Board Rejects 2 Construction Bids For MacGregor School

The Board of Education of the Albany Unified School District, at a meeting held Tuesday evening, Oct. 14, rejected, both of two bids submitted for the building of the C. M. MacGregor School at San Gabriel and Brighton Avenues. One bid submitted by Swinerton & Walberg Co., 1723 Webster St., Oakland, was in the amount of \$120,855. The bid of Moore & Roberts, 693 Mission St., San Francisco, was for \$119,662. The Board of Education is returning the plans to the school architects, Young, Potter, Dulin & Lloyd, 1171 Solano Ave., for modifications to bring down the amount of the bids. According to Supt. Paul C. Bryan, the call for new bids will delay construction only temporarily, and it is definitely planned to have the new building ready for the opening of school in the Fall of 1948.

The school is to be a five-room structure accommodating kindergarten through the third grade classes.

Bids for the construction of a second primary school, to be known as the Vista School, on Albany Hill, have not yet been called for. Both these primary schools are part of the program made possible by the passage of a \$525,000 bond issue last October. A number of other building plans were included as part of this bond issue and will be carried out as soon as feasible.

Other business at the Board meeting included approval of the purchase of a number of band instruments for both the elementary and high school. Provision of these extra instruments will make possible the broadening of the instrumental music program in both schools.

Pre-School Mothers Honor New Members At Pot-Luck Supper

Twelve new members of the Albany Pre-School Mothers' Club were entertained at a pot-luck supper last Friday evening by other members of the group, which now numbers forty-eight mothers.

Held at the Recreation Center, where children of these mothers attend school on week days, the affair was planned by social chairman Mrs. Kenneth Roberts. Using a peasant motif, the decorations were made by Mesdames John Connell, Norman Haavik, and Arthur Spearin.

In charge of the food department, Mrs. Russell Theobald was assisted by Mesdames E. M. Wares, John Clark, Peter Ward, and Carl Ball.

After dinner the mothers were entertained by representatives of the advanced class of folk dancers from the Albany Night School. Two skits followed in which the mothers satirized their children and husbands. Mrs. Louis Steuerwald was in charge of the program and was assisted by Mesdames Phillip Meads, R. Liotta, A. B. Kennedy, George Bush, Alan Klein, Ray Paine, Carl Ball, Haavik, William McGimpsey, Finn, Jensen, Leslie Burman, F. M. Brown and J. P. Connolly.

The twelve new members are: Mesdames Earl Cleave, Gordon Johnson, William Meyer, Douglas Roddick, Louis Rorden, J. S. Silver, Boyd Stephenson, John Walton, William Young, L. L. Keck, and S. L. Scordelis.

Bo-Kay Gift Shop to Start Third Year With Many New Lines

Bob and Kay Fritz, owners of the Bo-Kay Gift Shop, 1389 Solano Ave., will mark their second anniversary of business on Oct. 20. In announcing the end of two years of service to Albany, Bob and Kay extended a hearty "Thank You" to their many friendly customers who have made these years so pleasant.

This customer support has made it possible for continual growth of the shop and the addition of many interesting new gift items. Among the new values now available are the latest pottery lines, Imperial glassware, moderately priced Chinese figurines and many more articles designed for "gift giving."

Legion Post 292 Will Honor Navy Tonight

By WALTER HOLLAND

In keeping with the custom and tradition of Albany Post in setting aside one night a year for veterans who served in the Navy and Coast Guard during the wars, the Navy will take over the meeting and program of Post 292 on Friday evening, Oct. 17.

Big gun for the Navy is Chairman James Sartain who says he has the ammunition to sink the Army and Marine members of the Post. "Furthermore," says Sartain, "I have entertainment that is out of this world to ease the tension when the Navy gets through with their capers." The Navy committee will try an experiment in the refreshment line never before attempted by any group.

Commander Jack Hamilton has some hopes of conducting a short business session before the Navy barges in. "I have bribed these old and young salts to let us have some peace while I am presiding. But I don't expect very good results."

The committee for Navy night includes Sartain, Hamilton, W. D. Salisbury, James D. Daly, Russell Rothschild, Rodrick, and your newsboy. But the Navy had to call on an ex-Army mess sergeant, Ammon (Continued On Page Six)

EXCHANGETTES ORGANIZING AT 'LADIES NIGHT' MEETING ON TUESDAY

MORGAN'S MEANDERINGS

By M. S. T.

Fire Chief Fred Pimental this week was passing out words of praise for the Junior Chamber of Commerce and the Albany Association of Insurance Agents. The two groups teamed up to bring to the Albany Theater a very instructive film shown during Fire Prevention Week.

Absent from Council meeting last Tuesday night was Councilman Bert Hill who was called to San Francisco by the death of his brother, Raymond.

Doing nicely in the Albany Hospital after a recent major operation, Mrs. Edwin S. Howell is taking things easy while her Recreation Directing hubby directs the activities of their two lively youngsters after the lady taking care of them leaves for the day. Ed has developed a deep understanding and an almost reverent awe for that old saw about women's work never being done.

One E. E. Wilcox of Berkeley would have received the surprise of his life if he had appeared on the scene while the Albany Fire Department was tinkering with the innards of his car. He left the auto parked next to Griff's Steak House and a fire developed in the wiring. Firemen Browne, McSheehy, DeGiglio and Day answered the call. Sgt. Frank Davis supervised the job for the Police Department.

Lawrence Hardie, son of Albany's Police Judge Louis J. Hardie went back to school with a walking cast on his leg Wednesday after a few days at home with a broken leg. Young Hardie was struck by an auto on San Pablo Ave. last Friday.

Back in town this week after a ten-day jaunt to Salt Lake City are Mr. and Mrs. O. K. Walton of 1427 Thousand Oaks Blvd. He works for MacGregor Construction and she is known for her many civic activities in addition to being President of the Albany School Board.

Mayor Williams' daughter will be back in Albany around December to prepare for the arrival of the stork. Her husband, Ensign Jake Kammerer is supply officer for the Kodiak, Alaska, Naval Base. The Navy will fly Doris home but must so so two months before the expected arrival of the other airbird. Mayor and Mrs. Williams are looking forward with great expectations to their first time as grandparents.

Symbolic of something or another is the sign which went up on the billboard across the street from the Times on meatless Tuesday. It displays a tempting dish of spaghetti—and meat.

Albany's newest organization ladies is the Exchangelles, organized Tuesday night, Oct. 14, at a "Ladies Night" meeting of the local Exchange Club.

Elected as the first officers of the new club were Mrs. Evelyn Gordon, president; Mrs. Mary Villan, vice-president; Mrs. Irene Villan, secretary; Mrs. Thelma Moss, corresponding secretary; and Mrs. A. Smith, treasurer.

The first regular meeting of the Exchangelles will be held on Tuesday in November at the home of Mrs. Irene Villa, 986 Kai Ave., at 7:30 p. m.

Charter members in the Albany Exchangelles Club are: Mesdames Joseph Beidler, Harley Corne, George Fiderio, Vernon Freeman, Nathan Garfinkle, George Glavin, Milton Gordon, Jack Hamilton, Albert Zimman, Edwin Hare, Dwight Haven, George Hill, Ed Howell, Gunnar Larson, Joe Mahon, Herbert Moss, Robt. The delegation from Albany drew a rebuke from Commander Henry Wright at the monthly meeting of the 40th District at Hayward on Oct. 15, when we appeared in costume and masks to draw attention to our Masquerade Ball on Oct. 31.

We had planned to come in later in the proceedings, but someone loused up the timing and we paraded in during a very solemn discussion. The speaker stopped cold, the meeting was thrown into an uproar and we drew the fire of Commander Wright. But I'll bet they know we are going to have a big masquerade dance here in Albany on Oct. 31.

Lillian Sandretto Wed Recently at Chapel of the Chimes

Mr. and Mrs. Rudy Babich (Lillian Sandretto) are now making their home in Crescent City, Calif., after their recent wedding in the Chapel of the Chimes, Oakland. The newly-wed Mrs. Babich is the daughter of Mr. and Mrs. John Sandretto, pioneer Albany residents now living at 1034 Talbot Ave.

For the ceremony the bride chose a biege-grey suit and an off-the-face pink feathered hat. Her accessories were gray snake-skin and she wore a corsage of orchids. Attired in a blue suit with gold colored accessories, Mrs. Lena Canepa of El Cerrito assisted Lillian as honor attendant. Louis Pippan stood with the groom as best man.

A reception for over 400 guests at St. George's Hall in Oakland followed the nuptials. After cutting their wedding cake, the young couple left for a honeymoon trip to southern California.

A former Army Infantryman, Babich served several months overseas. He is now in business in Crescent City.

Baskets Sought by R.C. In Service Hospitals

The Albany-Berkeley Red Cross chapter has received a request from nearby military and veterans' hospitals for market baskets to be used for carrying supplies into wards, according to Mrs. James A. Dorst, chairman of the Camp and Hospital Committee. They may be brought to headquarters at 2116 Allston Way.

The recent request for canes for convalescent sailors and servicemen has met with good response, but Mrs. Dorst states that the need is still great. She asks that people make a further search of their store-rooms and attics for these needed articles.

Christmas is coming, and the Junior Red Cross is in need of flesh colored knit underwear for making Santa Claus faces, says Carol B. Johnson, their chairman. Donations of these should be brought to Berkeley Chapter headquarters.

Plan Piano Recital

Del Purves-Smith, well known concert pianist, will make her first Northern California appearance in a solo pianoforte recital on Oct. 25 when she will give a program at the Berkeley Women's City Club in aid of the piano fund for the new \$100,000 Arlington Community Center which is nearing completion in Kensington.

It is now unlawful for any person to stand in the roadway to solicit a ride from the driver of a vehicle.

Cpl. E. E. Jensen Now With Anti-Tank Group Serving in Japan

Cpl. Eugene E. Jensen, son of Mr. and Mrs. George Jensen of 614 Kains Ave., is serving with an anti-tank company of the 34th Infantry Regiment, a unit of the 24th Infantry Division which is now occupying the entire island of Kyushu in Japan.

Camp Mower, the new name of the 34th Infantry's home, is located approximately six miles northwest of the Port City of Sasebo, which, during the war, was a very important Japanese Naval Base.

Cpl. Jensen enlisted in the Army in October, 1946, at San Francisco and received his stateside basic training at Fort Jackson, South Carolina. He arrived in Japan in January, and joined the 34th Infantry in southern Japan. He was promoted to the grade of Cpl. on 15, June, 1947.
